

GEOCACHING

Prerequisite: A Cadet must have earned the **GPS merit badge** before being awarded the **Geocaching merit badge**.

Geocaching (GEE-oh-cash-ing) is a popular outdoor activity that uses a handheld GPS receiver or smart phone with live-enabled geocaching application to find containers (caches) hidden by others and then share their experiences online.

Equipment Required: Computer with Internet connection, GPS receiver; or as an alternative to a GPS receiver, you can use a smart phone with a geocaching application where cell phone service is available.

1. Get to know the geocaching website. Geocaching.com is the official site of the geocaching community and an excellent source for information on all things having to do with geocaching. There are other websites that offer geocaching information but your most reliable source is this site.
 - a. Sign up for a basic free membership on the geocaching web site. A membership will give you access to coordinates to help you find geocaches.
Date joined: _____
 - b. What happened on May 2, 2000? (Look under the history link.)

 - c. Provide the names of three GPS devices that have been reviewed on the geocaching.com website.
 - 1) _____
 - 2) _____
 - 3) _____

- d. Using the news article link on the geocaching site, list three events that have recently taken place that are great ways to participate in geocaching.

- 1) _____

- 2) _____

- 3) _____

DATE COMPLETED:

PASSED BY:

Hide _____

FTF _____

Geocoin _____

DATE COMPLETED:

PASSED BY:

3. Geocaching Safety

- a. Learn the two rules of geocaching safety and explain them to your counselor.

Safety Rules
#1 • Always go geocaching with an adult.
#2 • Use caution when geocaching.

- b. List ten items on a geocacher's checklist for safe geocaching:

- 1) _____
- 2) _____
- 3) _____
- 4) _____
- 5) _____
- 6) _____
- 7) _____
- 8) _____
- 9) _____
- 10) _____

DATE COMPLETED:

PASSED BY:

4. Information about geocaches and geocachers

- a. Using the guide link on the geocache website, list the types of caches available.

- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____
- _____

- b. Geocaches also come in many sizes. List the four main sizes and approximate dimensions.

- _____
- _____
- _____
- _____

- c. Geocache.com rates caches according to how difficult they are to get to (terrain) and how difficult they are to find (difficulty). Select two geocache locations on Geocache.com and explain how difficult it will be to get there and how difficult it will be to find the cache.

- _____
- _____

- d. Geocaches can be found in many places. List some places you might expect to find a geocache.

- _____
- _____
- _____
- _____
- _____

- e. Learn the following basic rules for geocaching and explain to your counselor why they are important.

Basic Rules for Geocaching
#1 • If you take something from a cache, leave something of equal or greater value.
#2 • Write in the cache logbook.
#3 • Respect the environment and private property.
#4 • Log your experience at geocaching.com.

DATE COMPLETED:
